Those look good to me. I recommend sending the longer version.

I'd have Jane or Marilyn send.

**Subject:** RE: PFAS Action Items

Memo(s) revised based on your comments.

I gave some examples of the needed policy actions needed. These are not all inclusive, as some are very much in the weeds and not easily outlined in this type of memo.

If you are OK with modifications, please forward to Alex. If still unclear, let Bryan and I know.

Thanks

Thanks Meghan. The last action is a little unclear. What exactly are you trying to get at?

Also, please change addressee to E. Scott Pruitt

I modified the information as requested.

I am providing two versions of the memo (one with benefits, one without) for you to select.

After 11:30 today, I will be unable to access my computer for the remainder of the day and most of tomorrow.

Thanks.
